

Operations Manager

Mickee Pomeisl is the Operations Manager for School Turnaround and has been with the organization since 2009. She is responsible for all administrative operations of the program and provides support research and analysis. Specifically, Mickee handles all client invoicing, assists with contract generation, approves and submits payroll and expenses for employees, and provides marketing assistance, where needed. Mickee's hands-on approach and strong research aptitude help ensure the overall efficiency and effectiveness of School Turnaround's operations.

Prior to joining the School Turnaround team, Mickee was the head Paralegal/Manager and Title Clerk for an extremely busy Law Office in Albany, New York. In this role, she prepared legal documents and correspondences and interacted with clients, attorneys and the Court system. Mickee provided extensive research, charts, graphs, reports, and monitoring of all accounts, along with overseeing other staff and maintaining payroll.

Mickee earned her Associated Degree from Herkimer Community College where she majored in Paralegal Studies as well as taking extra Business Management courses.
